

## **Prosthetic Management for Therapy Professionals** *October 15-17, 2024*

Prosthetic Management for Therapy Professionals is a comprehensive three-day course that covers the essential knowledge and skills needed to collaborate with an interprofessional clinical team providing prosthetic care. Engaging lectures and interactive clinical experiences featuring actual patients provide an intensive review of patient assessment, biomechanics, prosthetic prescription development, and essential therapy techniques needed to treat patients who require upper and lower-limb prosthetic care.

**Learn from board-certified physicians, physical/occupational therapists, engineers, and prosthetist/orthotists engaged in education, clinical practice, and research.**

**Venue:** Northwestern University Prosthetics-Orthotic Center  
680 N. Lake Shore Dr - Suite 1100, Chicago, IL 60611

**Registration: \$850**
